## Summary

I received my Bachelor's degree in Psychology from Howard University and my Master of Arts degree in General Psychology from the American University in Washington, D.C. I later completed the Master of Divinity and the Doctor of Ministry degrees at Virginia Union University in Richmond, Virginia.

I serve as CEO/Managing Partner of LMT Enterprises, LLC, ([www.DrTait.com](http://www.DrTait.com)/ [TaitCounseling.com](http://TaitCounseling.com)) and a Licensed Professional Counselor in private practice in Peachtree Corners and in a group practice in Buckhead Atlanta (New Directions Counseling Center). Recently I started a Dept. of Driver Services certified driving school named "Drive Safe Georgia." It is a one-stop driving shop offering: DUI/ Risk Reduction course, Clinical & DDS Assessments, Individual & Group Counseling, Community Service, AOD & Anger Management services.

I have served for over 20 years as the Executive Dir. of the Harambee Community Development Corporation, a non-profit 501 (c)(3) organization. My passion to help those in the community has led me to serve as the Exec. Dir. of the Ryan Cameron Foundation, Program Manager of the Diversion Treatment Court (Adult Mental Health Court) and as Substance Abuse Treatment Team Leader for the Rebound Drug Court, both in DeKalb County. I've authored several books and served as a columnist with several magazines. I occasionally serve as a relationship expert on Praise 102.5 FM (Radio One, Atlanta), (Syndication One), (Sheridan Gospel Network), WAOK (CBS Radio, Atlanta) and on V-103 (CBS Radio, Atlanta).

I believe in providing a confidential, safe and non-judgmental environment where my clients can learn a variety of skills to help them gain more self-awareness and thus a higher level of self-esteem and self-love. I would love to assist you on your journey to wholeness and happiness and I believe together we can accomplish anything!
